BUY HEIFER CALVES CHEAP  
For those who want to get a start of dairy cattle it is a good time now to buy heifer calves in Wisconsin. On account of the high price of milk in dairy districts, many choice heifer calves are being vealed. Many of these calves are from high producing cows and are calves dairymen ordinarily would retain in their own herds. They are being sacrificed this season for ready money offered by cheese factories and milk condensaries.

Grade calves two or three weeks old can be purchased for \$17 to \$20,

crated and placed on board the cars. They will reach any part of Nebraska in 24 to 36 hours. Nebraska farmers could do no better than import some of these calves this summer while they can get exceptionally good ones. For further information address Dairy Extension, University Farm, Lincoln, Nebr.

### Lloyd's Column

Thank You, Brother Cooper  
We appreciate the following compliment from the Rushville Recorder of May 4:

Congratulations to Representative Lloyd Thomas, of Alliance, and his colleagues on the triumph of the dry law.

Lloyd's Column—  
What a Live Boy Can Do  
(By John Oxenham)  
What can a live boy do  
For his country and for you—  
What CAN a live boy do?

He can play a straight game all thru,  
That's one good thing he can do.

He can fight like a knight  
For the Truth and the Right—  
That's another good thing he can do.

He can shun all that's mean  
Both without and within—  
Both without and within—  
That's a very fine thing he can do.

His soul he can brace  
Against everything base,  
And the trace will be seen  
All his life in his gait;  
That's an excellent thing he can do.

He can look to the Light,  
He can keep his thoughts white,  
He can fight the great fight,  
He can do with his might  
What is good in God's sight—  
These are truly great things he can do.

Though his years be but few,  
If he keeps himself true  
He can mark in the queue  
Of the Good and the Great  
Who battle with fate  
And win through—  
That's a wonderful thing he can do.

And, in each little thing  
He can follow the King,  
Yes, in each smallest thing  
He can follow the King—  
He can follow the Christ, the King.

Lloyd's Column

Laborers with arm and mattock,  
Laborers with brain and pen,  
Railroad prince and railroad brakeman

Build our line of fighting men.  
Flag of righteous wars! close mustered

Gleam the bayonets, row on row,  
Where thy stars are sterily clustered  
With their daggers toward the foe!

Lloyd's Column—  
Planting Song  
Plant, plant, plant, the boys are joining,

Sure to need the food that you can raise!

Help to feed the Army well!  
Help to give the Kaiser h—l.  
Help to bring the brighter, better days!

Plant, plant, plant, the ships are sailing  
Out to where the silent terrors wait;

Help to make the land and sea  
Safer for the nations free,  
Harder for the predatory state!

Plant, plant, plant, the nation's calling  
Field as well as forge to join the fight;

Every acre more of wheat  
Serves to bear the foe defeat,  
Every stalk of corn's a blow for land and right!

Plant, plant, plant, the foes of freedom,  
Grim and undiscouraged, still are strong;

Civilize 'em with a plow!  
Serve your country—do it now!  
Help destroy the citadels of wrong!

Plant, plant, plant, and in the future  
You shall see a harvest richer far  
Than the sheaves of golden wheat;

Liberty at last complete,  
Life at last triumphant over War!

### Summer Colds Weaken

They are even more dangerous than winter colds, for they hang on so long that they become chronic catarrh. Heat and dust aggravate them, cause the infected surface to spread, and fill the body with systemic catarrh. Neglect costs health and energy.

### PERUNA EXPELS CATARRH

It does more—it builds up the weakened system, regulates the digestion, removes the inflammation, overcomes the poisons of catarrh, and invigorates all over. Forty-four years of success proves its great value, of which thousands gladly testify.

Accept the verdict of two generations yourself. Don't be swayed by prejudice, when your health is at stake. Take Peruna and get well. Liquid or tablet form, whichever is the more convenient.

### The Call To The Colors

By Arthur Guiterman  
(In Colliers Weekly)  
"Are you ready, O Virginia,  
Alabama, Tennessee?  
People of the Southland, answer!  
For the land hath need of ye."  
"Here!" from Sandy Rio Grande  
Where the Texan horsemen ride.  
"Here!" the hunters of Kentucky  
Hail from Chatterawha's side.  
Every toiler in the cotton,  
Every ragged mountaineer,  
Velvet-voiced and iron-handed,  
Lifts his head to answer: "Here!"  
Some remain who charged with Pick-  
ett,  
Some revive who followed Lee;  
They shall lead their sons to battle  
For the Flag if need there be.

"Are you ready California,  
Arizona, Idaho?  
'Come, oh come unto the colors.'  
Heard ye not the bugle blow?"  
Falls a huch in San Francisco  
In the humming hives of trade;  
In the vineyards of Somoma  
Fall the pruning knife and spade;  
In the mines of Colorado  
Pickand drill are flung aside;  
Idly in Seattle Harbor  
Swing the merchants to the tide,  
And a million mighty voices  
Throb responsive like a drum  
Rolling from the rough Sierras:  
"You have called us, and we come."

O'er Missouri sounds the Challenge,  
O'er the Great Lakes and the plain  
"Are you ready, Minnesota?  
Are you ready, men of Maine?"  
From the woods of Ontonagon,  
From the farms of Illinois,  
From the looms of Massachusetts:  
"We are ready, man and boy."  
Axmen free of Androscoogin,  
Clerks who trudge the cities' paves  
Gloucester men who drag their plunder  
From the gray and hungrey waves,  
Big-boned Swede and large-limbed  
Northman,  
Celt and Saxon well the cry,  
And the Adriatic echoes:  
"We are ready, Do or die!"

True to feud and peace to faction!  
Stilled is every party brawl  
When the warships clear for action,  
When the battle bugle-call  
Kinks may boast of standing armies  
Serfs who blindly fight by trade;  
We have twenty million soldiers  
And a soul guides every blade.
